To Whom It May Concern

Sylvia Vander Schee

This will confirm that Sylvia worked at our company from June 2008 until May 2011 as a Senior Graphic Designer.

Sylvia was a most creative and adaptable person during her time with us. She applied her incredible skills to a wide variety of media, from complex annual reports to branding and small retail advertisements. The results were always well received by our clients.

Additionally, her very pleasant personality and willingness to help out made her a joy to work with.

Unfortunately she left us to return to her home in Canada.

I would unhesitatingly recommend Sylvia to future employers.

Please do not hesitate to contact me should you have any further questions.

Yours sincerely,
Advertising Associates Company Limited
